

## Feedback 1: Mid-Internship Evaluation (approx. 50 hours)

To assist supervisors and students throughout the internship experience, we kindly ask that this checkpoint is completed at an in person meeting about half way through the internship. The intern is then required to submit a copy to the McCusker Centre for Citizenship.

It's a good idea at this stage to check that the **intern's timesheet** is up to date and signed off.

### Intern and supervisor details

Student name:	Pritam Suwal Shrestha
Student signature:	
Host organisation and Supervisor Name	Homeless Healthcare, Alison Sayer
Supervisor signature:	
Date:	27/03/2024

### Intern's reflection (ratings: agree, unsure, disagree)

	Rating
I understand <b>my role and what is expected of me</b> in my community internship.	Strongly Agree
I feel I have enough <b>supervision, feedback and connection to the organisation</b> to succeed in the community internship.	Strongly Agree
I am beginning to understand the <b>relevant local and global context</b> of the community organisation and the <b>social issue</b> being addressed.	Strongly Agree
I understand the <b>value of the work I am doing</b> , both to the community organisation and our broader society.	Strongly Agree

**Supervisor's reflection** (ratings: Excellent, Good, Satisfactory and Unsatisfactory. See Internship Evaluation Guidance for details). A rating of Unsatisfactory should be followed with clear guidelines, and objectives to be met, with the view to improvement by the end of-internship evaluation. (See over).

	Rating
The student's current <b>engagement in applied work</b> within the community organisation has been:	Excellent
The student's <b>professional responsibility</b> during the community internship so far has been:	Excellent
The student's <b>use of their knowledge and skills</b> during the community internship so far has been:	Excellent
The student's <b>engagement with relevant local and global contexts of the organisation</b> during the internship so far has been:	Excellent
